

To Whom It May Concern,

I have been a supporter of K-Love Radio for two years now. I stumbled on K-Love while surfing radio stations and it has changed my life forever.

K-Love offers positive, encouraging, uplifting songs, prayers and words to live by. There is no fear of turning on K-Love and hearing anything that you could not share with your entire family.

K-Love supports wholesome values and has a positive impact on communities all across America.

If K-Love were to be displaced by an LPFM broadcaster providing other programming, the effect on our community and others would be overwhelming. So many people have been led to Our Lord Jesus Christ

through K-Love. If you listen to the testimonials of listeners you would understand the influence that K-Love has on any given community.

I respectfully ask that you prayerfully consider not interrupting service in any area that K-Love serves.

Thank you, Jan Hendricks K-Love supporter
